

CHARLIE KER***Senior Director, Business Development (NA)***

Charlie joined Vancouver-based Westport Fuel Systems in the Fall of 2021 after more than a decade with Cummins Westport Inc. (CWI). At CWI Charlie initially oversaw the rapid growth of natural gas trucks within the North American refuse sector before focusing his efforts closer to home as CWI's Canadian General Manager for both bus and truck markets. Prior to Cummins, Charlie held numerous sales and marketing positions at Westport Innovations where he led the initial launch of natural-gas truck programs at the Port of LA and Long Beach as well as in Canada along the Hwy 401 corridor. A graduate of the University of Western Ontario, Charlie is currently on the board of NGVAmerica and past Board Chair of the Canadian Natural Gas Vehicle Alliance.

About Westport Fuel Systems

At Westport Fuel Systems, we are driving innovation to power a cleaner tomorrow. We are a leading supplier of advanced fuel delivery components and systems for clean, low-carbon fuels such as natural gas, renewable natural gas, propane, and hydrogen to the global transportation industry. Our technology delivers the performance and fuel efficiency required by transportation applications and the environmental benefits that address climate change and urban air quality challenges. Headquartered in Vancouver, Canada, with operations in Europe, Asia, North America, and South America, we serve our customers in more than 70 countries with leading global transportation brands. At Westport Fuel Systems, we think ahead. For more information, visit www.wfsinc.com.
